

Kaden Schmidt

Kaden Schmidt is a kid from Ogema Saskatchewan. He is 11 and is in grade 6. Kaden likes art and P.E. Kaden also likes playing video games. Kaden's favourite colour is purple. He was born in Regina Saskatchewan 2005.

Libraries

Libraries are “Readiculous”

Libraries the place with books
The place with excitement
And things for cooks
They are good, even great
So step right up to the plate.

Libraries are ridiculous
Exotic and fastidious
You can teach
You can learn
But you must take your turn.

Libraries are off the hook
The place with excitement
The place with books

Kaden Schmidt
